Jenmae is a Client Services Officer who joined the team in July 2026.

Jenmae describes herself as low-maintenance and caring, someone who is easy to get along with and genuinely looks out for the people around her. She holds a degree in Accounting Technology and has previous experience as a Financial Planning Assistant, bringing a solid foundation into her current role in the financial planning industry.

Outside of work, Jenmae enjoys a simple and creative lifestyle, making time for both self-expression and the people who matter most to her. She loves writing poetry to express her thoughts and feelings. She also has a long-standing love of dancing, something she's carried since childhood. She now also aspires to be the best mom to her baby girl, which brings a new sense of purpose and joy to her everyday life.

Jenmae believes that change is the only constant in life. For her, it's always worth embracing change, whether in people or environment, if it leads to growth. She's willing to take risks when it supports her becoming a better version of herself and sees personal development as something to keep striving for.
